Founded in 1957, the International School of Hamburg offers 60 years of excellence in international education. 740 students from 55 nations study international programs in English leading to the IB Diploma. As builders of an internationally-minded community, our faculty and staff strive to inspire and motivate every student while ensuring high academic challenge, the innovative use of technology, and a committed focus on the social, moral and emotional well-being of every child in our care.
